The Town of Redvers is missing an essential amenity! Have you missed having a hotel available? Whether for a wedding, reunion, event or simply visiting friends and family, a modern, welcoming accommodation is a must. Together in collaboration with Steel Creek Developers, the Council of the Town of Redvers is facilitating a community meeting regarding a combined hotel, restaurant, and potentially an assisted living facility.

**BIG CITY  
COMFORT**

**SMALL TOWN  
HOSPITALITY**

Steel Creek Developers began Blue Crescent Hotels because small towns need quality hotels and the big brands don't believe in smaller markets. Blue Crescent Hotels offer a friendly, comfortable and relaxed good night's sleep. Blue Crescent Hotels began to give smaller rural towns the opportunity to have a recognizable hotel brand with locations throughout the prairies where guests always feel welcome.
