# GET INVOLVED FALL 2021

## Moosomin Curling Club It's fun, it's good for you—it's time to give curling a try!

Curling is a staple in small towns and communities around Canada every winter, but few people give thought to how beneficial the sport is. Not only is curling fun, it's a way to keep healthy and active in the winter. It provides a great way to foster social interaction during the long, cold winter months, and it's also a great workout!

Some of the main benefits of curling are as follows:

**Aerobic fitness:** Working out in the cold can burn more calories, and since curling is played on ice and players are constantly competing and running back and forth from end to end, it will definitely increase your heart rate and improve the cardiovascular system.

**Strengthens your muscles:** Sliding on the ice and being in a constant squatting position strengthens the calves, glutes and quadriceps. You can also get a good core workout by practicing curling and sweeping vigorously ahead of the stone.

**Social interaction:** In many communities, curling clubs are among only a few recreational resources available. It becomes a place where they can talk with others, build friendships, and take leadership roles, increasing both their confidence and resiliency when coping with challenges.

**Flexibility:** The team member who delivers the stone in a curling game often stays very low to the ice before pushing the

stone. Staying this low to the ice requires a great deal of flexibility.

**Precision:** Curling requires precision. It has been nicknamed as "chess on ice" for the amount of strategy involved in winning a game. This is one of the reasons it is so popular among both players and spectators.

**Stretching and toning legs:** Stretching and toning your legs is a way the players workout before playing the game. The stretching and toning not only helps with flexibility for the game but it also carries out in day-to-day activities.

**Promotes weight-loss:** Sliding on ice burns a lot of calories, yet because you are playing on ice, you don't perspire as much. Curling requires a lot of sliding back and forth, which burns calories.

**It can be done by anyone, including the disabled:** Curling is a sport that can be enjoyed by everyone, no matter the age or ability. In fact, the Paralympic Games feature a Wheelchair Curling event.

**Fun and interactive:** It is a sport for both men and women and is played by both adults and kids of all ages. Not only is it a great way to meet people who have the same interest in curling, but it can be a great networking medium. In addition, many people with depression turn towards curling because it's a fun and interactive sport that opens up their social realm.

# GET INVOLVED FALL 2021

The Maryfield District Lions Celebrate 50 years of Lionism.

## Maryfield District Lions Club: Service, fundraising, giving and fun!

Maryfield District Lions Club was chartered April 1, 1968. In 1925, Helen Keller asked Lions to become Knights of the Blind. Since then Lions have focused on vision and vision-related projects but the work of the Lions is much broader. The goal of those who join Lions is to better the community through service projects and to raise funds that can be reinvested in the local community.

The work of the Lions is really fourfold: Service, fundraising, giving, and last but not least, fun. It's important to understand all aspects of Lionism.

Much of the work of Lions is service-related with no monetary benefit to the club. The very first project the Maryfield District Lions took on was environmental in nature, repurposing some old oil barrels as garbage cans for Main Street in Maryfield. Some of these can still be found around our community today. Since 1968, the Lions have successfully completed a wide variety of projects; long-running projects include the community newsletter, the Santa Day festivities and the minispiel. Some of our more recent projects include the annual seniors' roast beef luncheon, the food booth at the local rink and doing spring and fall cleanups at the Legion playground. The latest project, the Veteran's Sign Project, will bring important recognition to a group of men and women who served our country. Through service we work to better our community and the lives of those who live here.

Fundraising is another huge part of the work of Lions. In order to give, we must earn. Two long-standing annual fundraisers are the Lions Hockey Pool and the Lions Birthday Calendar. Over the years we have organized several major fundraisers including two Mark Humphries Orchestra Suppers and Dances and a Murder Mystery Evening. We also earn funds through some of our service work. Maryfield Lions run the food booths at events such as the annual fair, the summer Country Market and farm auctions. Our club partners with Westwood Ranch Garden Centre for a couple days each spring, receiving a percentage of sales. Covid restrictions have made fundraising difficult over the last year and a half but community support of long-standing fundraisers ensures some funding for local needs.

The third aspect of Lions is giving. Funds raised are often used for community infrastructure improvements. Some funding goes to assist individuals with medical

related expenses: medical travel, ramps/lifts, vision and hearing aides, and educational aids. We've also been able to provide funding for other emergencies and disasters including fire and flooding. Annually we make many small donations to a variety of groups including the Harmony Centre, R.P. McGarva Science Award, South East Community College Bursary, KidsSport, Huntington Society, Lions Eye Bank, Cavalcade, LCIF and Dog Guides. We've funded Lions Quest training and supplies for local teachers; purchased trees for the Beautification Gardens; and bought two Smokin' Tokens from the Auditorium Committee. We treated the Sunrise Villa residents to an iPad and funded a raised garden bed for them. Our larger fundraising events have allowed us to make some sizeable donations. We helped fund a LUCAS for the Maryfield Ambulance. Most recently, \$5,000 was given to the Maryfield Fire Department for one set of new turn-out gear, and \$10,000 to the Maryfield Auditorium for renovations.

At present our club has 13 active members. Although none of us want to admit it, we are not getting any younger and we worry about the future of the club. Attracting new members is difficult in small communities where the call for volunteers comes from many different boards and organizations. With new members comes new energy and fresh ideas. Maryfield District Lions believe the work that Lions do in a community is important and we are putting the call out for new members. We need your help—your ideas—your energy.

Joining the Lions can be so much more than just serving the community. Its fun. In conjunction with our monthly meetings we have supper. There is an underlying camaraderie in all we do—our meetings, our service work, our fundraising—that makes being a Lion fun and fulfilling. But there's more: Lions International provides online learning opportunities to people who want to sharpen leadership skills and opportunities to become friends with Lions beyond our community—throughout the province, country and world.

As a Lion your options are limitless. Reach out to a Lion and get on board. Lionism is much more than just a club and work—it's a chance to help others. There is a great deal of satisfaction from giving of yourself in support of others. It's fun to work with like-minded people to achieve a common goal.

We serve to give!

The Cadets at the Moosomin Cenotaph during a Remembrance Day ceremony.

## The 802 Pipestone Air Cadets Teaching youth how to become productive and positive leaders and citizens

The Moosomin 802 Royal Canadian Air Cadet Pipestone Squadron is a youth program that has operated in the Moosomin area since forming in 1971. The cadet program is open to all youth in the area between the ages of 12 years to 18 years of age, with no fees. New cadets are welcome at any time of the year and there is no set registration deadline.

The cadet program is a collaboration between the Air Cadet League of Canada and Department of National Defense, with the main goals of the program focusing on the promotion of positive citizenship, leadership and fostering an interest in the military.

Cadets meet every Monday throughout the school year at the Moosomin Convention Centre. During the weekly sessions, cadets will learn about the fundamentals of flight, survival skills, how to maintain care of their uniforms, marksmanship, and learn about the Canadian Armed Forces and the roles they play internationally, just to mention a brief few of the topics covered. During the training year the cadets will also get to experience survival campouts, gliding, and participation in Remembrance Day ceremonies, drill, marksmanship and

effective speaking competitions, as well as visiting various military institutions.

With all the activities that the squadron performs throughout the year, the biggest draw to the program continues to be the ability for cadets to earn either their gliders pilot license or their power aircraft license at no cost to the cadet. Over the course of the last 10 years, 802 Pipestone Air Cadets have graduated seven pilots.

Cadets through hard work have the ability to earn their glider's license at 15 years of age and 16 years of age for their private pilot's license. If cadets choose not to pursue their pilots license, the cadet program has many more summer courses that can be taken such as survival instructor, advanced aviation, leadership and ceremonial instructor, physical fitness instructors, basic survival, and general training.

"One of the most rewarding aspects of this program is watching the cadets mature and become strong independent individuals," says Capt. Dennis Youngblut. "This is one of the few programs that I know of where youth are encouraged to take charge and teach their peers. Our program teaches youth how to become productive and positive leaders and citizens."

## THE 802 PIPESTONE AIR CADETS

The 802 Pipestone Air Cadets meet every Monday at 6:30 p.m. - 9:00 p.m. at the Conexus Convention Centre in Moosomin.

**Parade times:**  
**Monday nights**  
**6:30 p.m. - 9:00 p.m.**

Parent meetings occur every 2nd Monday of the month at 6:30 p.m.

You can also contact

**Commanding Officer**  
**802 Pipestone RCACS**  
**306-435-0571**

## Tri Valley Trails Snowmobile Club New members and volunteers are needed

Every winter a group of dedicated volunteers maintains hundreds of miles of snowmobile trails from Fleming to Spy Hill, ensuring local snowmobilers have a safe and scenic ride.

Tri Valley Trails is a local snowmobile club providing safe, groomed trails for riders. The club is also affiliated with Saskatchewan Snowmobile Association (SSA). Since TVT formed 18 years ago it has maintained several miles of trail systems which connect three valleys—the Qu'Appelle, Assiniboine, and the Pipestone. The trail system also joins up with the SnoMan trails (Manitoba system). However we have not run our trail to St. Lazare due to the floods and the washing out of the bridge crossing the Qu'Appelle River.

The Tri Valley Trails are designated SSA trails, therefore trail users are required to register their snowmobile.

The club currently maintains 300 kilometres of trail in the Moosomin, Fleming, Rocanville, Welwyn, Tantallon and Spy Hill areas. There are three groomer operators who spend hours grooming the trails each winter, plus a number of volunteers who go out onto the trails at the beginning of the season to stake signs along the trails.

While there are young members and new members who use the trails each year, Tri Valley Trails is looking for people to serve on the board or as volunteers. There are about 10 committee members currently doing much of the work with Tri Valley Trails, and the club is hoping more

young members who are passionate about snowmobiling get involved. There is good cause to join the club.

One challenge is finding volunteers to install the signage along the trail each year—a large job, but one that ensures sledders ride safely all winter. The trails provides 300 kilometres of trails for riders and it's a safer way to ride. However the club has not been able to maintain all of the trails the last few years as we do not have the help for the signing and trail maintenance. Signing trails is a big part of the trail system, and SSA provides an online training course so anyone can sign up to take it. Just give Stan a call at Universe Satellite at 306-645-2669 and we will get it set up!

When you buy a membership, you are also helping your local club out. Signage is expensive; grooming involves both fuel and repair costs. The club also has insurance expenses which includes insuring the warm-up shacks. These shacks are available to everyone. Local support also allows the club to update and purchase additional equipment required to maintain the trail system. Every time a rider purchases a membership with the club, that money goes back to the club to help cover the costs of maintaining the trails.

Tri Valley Trails is thankful for the local businesses that have sponsored the club over the years.

The annual membership meeting will be held in early November. Anyone is welcome to attend.

**SERVING: Moosomin, Fleming, Rocanville, Welwyn, Spy Hill, Tantallon**

If you like sledding and want to get involved please attend the meeting in **early November** and join our committee.

- **Approximately 300 kms of groomed trails.**

Knights of Columbus keeping up a Halloween Tradition. Clients from Activity Centres around southern and central Saskatchewan showed up in full Halloween gear for the annual Knights of Columbus Spaghetti Feast shown here in this photo.

## Redvers Knights of Columbus: Making a difference by working together

Knights of Columbus members have the opportunity to support our parish, give back to the community, grow in your faith and gain exclusive access to our top rated insurance program to protect your family.

Regular council meetings are the fourth Thursday of each month.

Some of the things that we do throughout the year include:

- Brother Knights have hosted the annual Halloween party and spaghetti supper for the Redvers Activity Centre for the last 30 years.
- Numerous brunches for the parish throughout the year
- Host the annual July 1 Pancake Breakfast
- Host the Oilmen's Show Breakfast

- Provide "Coats for Kids" and "Food for Families"
- Aid victims of natural disasters and other catastrophic events local and world-wide
- Donate wheelchairs to people in need
- Sask Health
- Pro-Life
- Redvers Tourism
- Help out youth group to attend Kenossee Boys and Girls camp
- Help out renovations at the camp
- Redvers and Bellegarde School Scholarships
- Redvers and Carnduff Music Festivals award
- Volunteer your time and talents and make a difference by working together with your "Brother Knights."

## Moosomin Shrine Club: Fun, Fellowship and Philanthropy!

Shriners are all about fun, fellowship and philanthropy! Moosomin Shrine Club is made up of men from Moosomin and surrounding communities of south-east Saskatchewan and southwest Manitoba. We do have lots of fun and fellowship while supporting Shriner's Hospitals for Children, and whenever possible, the needs of kids and their families in our local area.

If you've attended parades throughout our region you will have seen our colourful Go Cart Unit and trailer taking part. You may also have supported our annual Rose Day held each June, or enjoyed one of our popular Dinner Concerts featuring top entertainment and dining, which we host in the fall. It is the generosity of the public that allows the Moosomin Shrine Club to perform our good works. Along with participating with fundraising projects like these, that are both rewarding and satisfying, we do share in lots of fun together. We are always open to new members and are going to share some information on how you too may become a Shriner, while also addressing some common misconceptions.

Firstly, you do not have to be

wealthy to be a Shriner or to become an officer in our club, we consider all members to be equal.

You must become a Mason before you may apply to be a Shriner. Every member of Shriners International is a Freemason and belongs to the oldest fraternity in the world.

Masonry is not a religion and is open to men of different faiths and creeds. One stipulation is that a candidate for masonry must believe in a Supreme Being, but how a mason worships is entirely up to him. The aims of masonry are to make good men better, to be good family men, to be good citizens of their community and country and to constantly try to improve themselves.

Masonry is not a secret society though we do share things in confidence.

Masonry is a beautiful system of morality, and has improved the peace and happiness of millions of men around the world for centuries. Every candidate for masonry is treated with utmost respect and congeniality.

If you would like more information on the Moosomin Shrine Club or Masonry, please talk with us!

Moosomin Shriners Hospital chair Leo Ilustrisimo, left, and Shriners President Greg Gillespie, right, presented a cheque to Levi Jamieson in August. The Shriners helped Levi access experts at Shrine Hospitals since he was involved in an ATV accident last winter which caused him to lose the use of his legs.

Want to join a club with a noble cause?

## CHECK OUT THE MOOSOMIN SHRINERS

Membership in both the Masons and Shriners is growing across Canada and around the world! The 2021 - 2022 year is a momentous one for both Shriners International and Shriners Hospitals for Children, Shriners International celebrates its 150th Anniversary and Shriners Hospitals for Children will mark its 100th year of healing kids! Membership is growing across North America and in other parts of the world. Moosomin Lodge is welcoming new members every year.

Shriners are renowned throughout the world for the exceptional care they provide at the network of Shriners Hospitals for children, including a brand new state-of-the-art hospital that opened in Montreal. The "Shriners Kids" receive world renowned treatment that has changed their lives and that of their families. Shriners Hospitals employ some of the leading innovators in medical research as well as dedicated physicians and physiotherapists. Together they have achieved fantastic results, all provided without charge to the patients. Some Shrine hospitals specialize in advanced treatment of children who have suffered terrible burns, guiding the patients through the long and difficult process of healing and grafting, to brilliantly repair their injured bodies! Shriners have school programs to educate kids on burn prevention, often in partnership with local firefighters. Other Shriners' hospitals provide surgical treatments for spinal problems, orthopedics and many other services.

Shrine Clubs also assist with community needs and Moosomin Shrine Club's Go Cart Unit is a popular feature at various parades in communities in South East Saskatchewan and South West Manitoba. Each June we hold a popular Rose Day fundraiser and in the autumn we present an entertaining dinner concert.

If you think you would like more information about becoming a Shriner, please give us a call. We would like to have a no-obligation conversation.

**THE WORLD CLASS CARE AT SHRINERS HOSPITALS IS PROVIDED AT NO COST TO THE PATIENTS**

**Above:** Nutrien Rocanville Community Hall

**Left:** GX94 Star Search being held at the hall.

**Below:** Party band Trooper performing at the hall at Christmas.

## Nutrien Rocanville Community Hall celebrating its 5th anniversary

Nutrien Rocanville Community Hall is celebrating its fifth anniversary since it opened its doors in October of 2016.

The Hall has been used for many events such as weddings, funerals, religious services, cabarets, reunions, dance classes, meetings, training, and even GX94 Star Search, as well as housing the Recreation Office.

The large space, the ease of setting up, and the functionality of the kitchen and bar are only a few of the many features that people often compliment when renting the facility. The stage is spacious and hosts a first-class sound system, two large

projector screens, and a beautifully lit actors' space in the wings. Two recently added features are risers and an ice machine.

The Hall has managed to keep their rates the same over the five years and feels there will be no rate increases in the near future. This is in main part due to the annual grant received from the Town.

The Hall Committee would like to thank the many businesses and individuals who have donated to the hall and thank everyone for their ongoing support.

The hall has been a great addition to the community, and we look forward to continuing to serve the community.

 A large graphic with a blue sky background and a white arched top. Inside the arch, the text reads:

Moosomin Armoury - June 1916

Moosomin Armoury - June 2019

## The Armoury, then and now

In 1913, with the First World War looming, Moosomin Armoury was built to become a recruiting and drill training hall for the area. The Armoury was called into service again for World War II.

Members of the Armoury group believe in maintaining this historical building for future generations. The building, once called into service to prepare for war, now serves the community as a medium sized venue for social gatherings.

Since acquiring the building in 2011, much needed repair work to the building has been completed. A new metal

roof with upgraded insulation was our first major improvement. The ever busy kitchen has been upgraded to make it more serviceable. The original windows have been opened up to allow natural light to flood in and add to the classic beauty of the old building. We added mood lighting and have raised and replaced the acoustical ceiling tiles as well as giving the main hall a fresh coat of paint.

Always looking at improvements for comfort and convenience, we added new forced air furnaces and much appreci-

ated air conditioning. New metal doors and a new main entrance deck make the ideal spot for wedding photos.

Prairie Danceland, part of the Armoury group, holds several dances at the Armoury throughout the year. These dances provide an excellent opportunity for recreation and socialization, not to mention important operating revenue.

There is still much to be done to restore and maintain the building and to meet the operation costs. We are looking for people who like the camaraderie of working with others, people who like to

bake, help in the kitchen, do handyman repairs, help at auctions, flea markets, craft shows and various other community events. If these types of activities appeal to you and you have some time to spare, we would enjoy having you as a member of our group.

If you enjoy working with others, have an interest in historical buildings and have time to donate to our cause, please join us. Working together we can restore and preserve one of Moosomin's historic buildings. You won't regret the time you invest in the Armoury.

The inside of the Armoury hall set up for a function.

THE SOCIETY FOR THE PRESERVATION OF THE

## The Saskatchewan Wildlife Federation: Enhancing fish and wildlife habitat since 1929

The Saskatchewan Wildlife Federation is a non-profit, non-government, charitable organization of over 33,000 members in 122 branches across Saskatchewan representing every walk of life.

Per capita, we are the largest wildlife conservation organization of its kind in the world. Established in 1929, the SWF has become an acknowledged leader in the conservation field.

Our mission is "To ensure the wild life legacy we leave to our children surpasses that which we inherited."

Our objectives are as follows:

- To acknowledge first and foremost that the wildlife of the province is a public resource belonging to all Saskatchewan residents, and to ensure the resource remains equally accessible to all residents of the province.
- To promote conservation, fishing, trapping, hunting, the shooting sports, and wildlife-oriented activities.
- To practice and promote wise management and use of our natural resources.
- To develop and maintain conservation policies.
- To develop and maintain conservation and educational programs.
- To acquire and enhance habitat for wildlife.
- To accept donations of real estate,

A mule deer buck.

monetary funds, and materials for the purpose of furthering the sustainability of our fish and wildlife resources.

- To keep provincial measuring records of big game heads, recognizing the Henry Kelsey record keeping association as an ancillary body of the SWF.

In 1929 the Saskatchewan Fish & Game Protective Association was formed through the initiative of three individuals, Mr. Judge Bence and Mr. Tom Coburn from North Battleford and Mr. Stan Naden from Regina. They recognized the need for a united provincial voice for Saskatchewan's anglers and hunters to protect our unparalleled natural resources.

On February 1, 1932 at a meeting of the organization, the name was changed to the Saskatchewan Fish & Game League, and by 1934 boasted 14 branches with 839 members who paid a membership fee of 25 cents.

Due to the League's expanding scope and activities, the name was changed in 1966 to The Saskatchewan Wildlife Federation and finally was registered as a non-profit organization in 1982 as Saskatchewan Wildlife Federation.

In 1968, the Federation adopted the whooping crane, a species that was clawing its way back from the brink of extinction, as its official emblem.

Northern Pike.

### Rocanville & District Wildlife Federation Saskatchewan Wildlife Federation

#### The Voice of the Organized Sportsman

**Youth Outdoor Leadership & Conservation School** - Qualified instructors teach youth outdoor skills and the development of an outdoor ethic as the basis of facilitating leadership skills.

**Operation Respect** - Program provides signs to the landowner that are designed to encourage the hunter to "Respect the Landowner's Rights - Ask Permission to Hunt."

**Wildlife Tomorrow** - To preserve habitat in its natural state for all species of wildlife.

**Habitat Trust** - Habitat Trust is a special fund established in 1978 for the purchase, retention, and enhancement of critical wildlife habitat across the province.

**Youth** - A "Wonders of Wildlife" Manual has been developed, with the co-operation of other programs and conservation groups.

**Fisheries** - S.W.F. branches conduct local fisheries projects (fish stocking, stream enhancement, trout ponds, etc.) throughout the province in conjunction with the provincial governments Fish & Wildlife Development Fund. With assistance from biologists, the branches are the main force behind securing much of Saskatchewan's fisheries habitat.

**Habitat Enhancement** - Over one million trees have been planted on cultivated parcels of wildlife land throughout the province to provide food and shelter for wildlife.

**Henry Kelsey** - An annual listing is kept of all qualifying big game heads, with a Records Book published every few years.

# GET INVOLVED FALL 2021

Last year's A event winners in the Esterhazy men's curling league.

Local kids trying their hand at the game of lacrosse.

## Esterhazy Curling Club Update/Information regarding the upcoming curling season

Our club will be required based on Saskatchewan Government Regulations/Mandate to have all members/visitors provide proof of double vaccination.

This decision is because we are operating our lounge which falls under "other licensed establishments" which according to government mandate requires the proof of vaccination to operate.

- At this time kids under 12 will be exempt as they are not eligible for vaccination.
- Medical Exemptions will be as per

government regulations.

We are looking for feedback from current/potential members to know the level of interest in curling this season. If you are interested in curling, you or your team can contact one of the following league contacts in the ad below.

For more information on return to curl or the government regulations/mandate, go to the following link:

<https://curlsask.ca/covid-19-resources/>

# Trinity Lutheran Church welcomes you

Trinity Lutheran Church is a Christian Church located at 501 Mark Avenue in Moosomin. The church was built in 1962 and has been serving Moosomin and area since that time.

Trinity Lutheran Church is a member congregation of the Lutheran Church-Canada. The basis of all Lutheran teachings is the Bible. Martin Luther and the other reformers wrote a series of documents answering accusations that their teaching was contrary to commonly held beliefs and practices of the 15th century church. These defenses and arguments, based upon the Bible, were presented before a series of theological gatherings. Eventually, they were compiled into "The Book of Concord." These comprise the doctrine and confession of the Lutheran Church. For more information, please refer to the Lutheran Church-Canada website:

[www.lutheranchurch-canada.ca](http://www.lutheranchurch-canada.ca)

Trinity Lutheran Church is a supporter of various mission organizations, both locally and abroad:

- Lutheran Women's Missionary League - Canada.
- Lutheran Layman's League, which includes the Lutheran Hour, a weekly radio broadcast.
- Canadian Lutheran World Relief, which assists in sponsoring refugees and co-ordinating develop-

Trinity Lutheran Church in Moosomin.

ment projects and emergency relief in response to needs around the world.

- Moosomin Food Bank.
- Regina Street Ministry
- Gideons International, whose primary activity is distributing copies of the Bible free of charge.

We are privileged to be served by three ordained Lutheran Pastors:

- Pastor D.J. Kim, Chap-

lain for the Regina City Police and Missionary at Large for the Regina Street Ministry, Regina, Sask.

- Pastor Edmund

Mielke, Grace Lutheran Church, Brandon, Manitoba

- Pastor Barry Wood, St. Matthew's Lutheran

Church, Roblin, Manitoba.

Our regular worship service is Saturday evenings at 7 p.m. A Bible Study is offered every Wednesday

evening at 7 p.m. Please refer to our weekly ad in the World-Spectator for a schedule of service times and Pastors.

# East Central Newcomer Welcome Centre Inc. helps newcomers to Canada successfully settle and feel welcome in East Central Saskatchewan

The East Central Newcomer Welcome Centre Inc. is a non-profit agency which provides information and services to newcomers, immigrants and refugees in the East Central Saskatchewan region leading towards successful settlement and integration in the community. The agency has a service area of 150 km radius around Yorkton.

The East Central Newcomer Welcome Centre Inc. is a first stop collaborative centre to welcome newcomers to the East Central Saskatchewan region. Newcomers establish their first connections with their new community, through the agency by accessing information about the resources and services available in the community. The agency offers Settlement Services, the Settlement Worker in Schools Program (SWIS), the Community Connections Program and the Local Immigration Partnership (LIP). Some of the services provided by the agency for newcomers to Canada include: Community facilities and services tours, identifying newcomer's settlement needs, connection to cultural, social and recreational groups and events, referrals to community services, connecting with volunteers to support them in their settlement and integration, solution focused counseling, information and orientation seminars and interpretation. The agency also provides community connections to housing, education, healthcare, banking, transportation, employment, places of worship and other activities which accelerate the settlement process.

The Settlement Worker in Schools Program (SWIS) is a school-based program designed to help newcomer students and their families settle in their school and community. SWIS connects newly arrived families to services and resources in the school and community to promote settlement and foster student achievement. The SWIS program focuses on newcomer families that are in their first few years in Canada. The program also focuses on newcomer students and parents, that have unresolved settlement needs.

The Local Immigration Partnership is a new initiative aimed at bringing together service providers, settlement agencies, community groups, municipal representatives, employers and other key

organizations across the municipalities in East Central Saskatchewan to create welcoming and inclusive communities for newcomers to Canada.

The agency strives to welcome and assist newcomers and foster a sense of community by working with service providers, communities, employers

and government partners in order to provide settlement services across the East Central region of Saskatchewan. Our office is located at Unit H, 132

Broadway Street West in Yorkton. Contact us at 1 (306) 783-2777 or at [ecnwcinfo@ecnwc.ca](mailto:ecnwcinfo@ecnwc.ca). We are also on Facebook at East Central Newcomer

Welcome Centre and our website is [www.EastCentralNewcomerCentre.ca](http://www.EastCentralNewcomerCentre.ca). We look forward to meeting and working with you!

**EAST CENTRAL NEWCOMER WELCOME CENTRE INC.**
