2025 CHRISTMAS & HOLIDAY GREETINGS EDITION

Gingerbread House For Sale

Welcome to this wonderful, charming, dazzling winter wonderland. Where everyone can come to chill out and relax. This house is so warm, kind, and welcoming. When you walk in you see warm cookies sitting on the pink candy table. They smell so deliciously good in every way. The house smells like cinnamon rolls that you want to eat really, really bad because it's such a magic charming smell throughout the house. This beautiful, lovely smelling bedroom has very sugary and squishy marshmallow pillows. These cozy, extremely soft, whimsical icing blankets are made for you to come and have a nice nap in it. In our very cute pink, white and red bathroom there is a hard and crispy counter that is pink, red and white swirled all together with a pink, red and white candy cane faucet. The kitchen is so cozy and in the oven there is a chimney and the bricks are baby pink. They are super cute.

Thank you for visiting my pink, red and white themed gingerbread house that is so cozy and warm! I love this house and I hope you do too!

Dear Judges,
I think I should win the ugliest sweater contest because it's itchy and has a Santa face. The Santa face is also off center in the sweater. It makes me personally very annoyed by it. There are also red and green stripes on it. My sweater is also blacked out, the sleeves are all black. My original was going to have white polka-dots on the sleeves. That's why I think I should win the ugliest sweater contest.

Happy Holidays Everyone!

All our best to Moosomin & District this Holiday Season!

Wishing you a season full of joy and hopes for the New Year ahead!

ENBRIDGE

This Christmas may your days be filled with the gentle magic of the season, the kind that dances in falling snowflakes, glows in the flicker of candlelight, and lingers in the heart long after the decorations are put away. May laughter echo through your homes and may love weave its quiet, unbreakable thread through every moment you share.

To the families who share their loved ones with us, your trust shines like a star in our winter sky. To our community, whose generosity warms even the coldest days, your light lifts us through every season.

From all of us at The Cobblestone House, thank you for being part of our story and our hearts. Merry Christmas, and may the coming year be as warm, magical, and full of wonder as the season itself.

Christmas

One time there were four kids, their names were Conner, Derik, Jane and Amanda. Conner and Jane are siblings and Derik, and Amanda are also siblings and they are all best friends. They are also all nine years old.

It was 9:30 am. "Conner wake up," said Jane panicked. "We made a plan at school to meet Amanda and Derik at the park in ten minutes." "Oh yeah!" said Conner wide awake. "Now, let's go!"

So they quickly wolfed down food and sprinted to the park. By the time they got to the park Derik and Amanda were already there.

"About time," said Derik. "Conner slept in," said Jane annoyed. "Also, you don't have to run halfway across Caanan" (the small town in Northern B.C. that they live in)

"Tomorrow is Christmas," said Amanda. "I can't wait." "Me neither," said Conner. "It's like they say, it's the most wonderful time of the year." "Hey cam Derik and Amanda come over to our house for the night?" asked Jane. "Maybe I'll call my mom right now," answered Amanda. "Do you think we can come?" asked Derik whispering. "I hope so" replied Conner. "Wait she's done." "We can!" shouted Amanda overjoyed. "Then come on, let's go," said Conner.

So, they got to Conner and Jane's house and they played and played and eventually it got dark. "Well," said Derik. "This has been fun, but we should probably get to sleep." "Okay," yawned, Jane.

"When we wake up it will be Christmas," said Amanda sleepily.

"Merry Christmas everyone!" said Conner happily. "Wow!" said Jane in awe, "Look at all the snow!" "Wait, that is too much snow, we are snowed in!" said Conner. "Oh no!" said Derik worried. "How are we going to get home for Christmas when there is 5 feet of snow on the ground!" asked Amanda. "I guess we will have to wait it out," said Derik sadly.

"Maybe not!" said Conner. Ten minutes later.... "My dad has a Bobcat in our garage, I think he could drive you to your house by plowing the snow." "Well what are you waiting for, let's go ask him."

"Sure," said dad. Five minutes later, "Let's go, bye!" said Jane. As they left. "We're here," said dad 20 minutes later. "We're back," said Amanda as they burst through the door.

Santa is coming to my house

I am so excited for Christmas because Santa is going to come to my house. I know he is coming because I have been very good. I helped my brother a lot. I think Santa is going to bring me a remote-control gator. I will make him cookies and milk.

Bowen the reindeer

Once upon a time, there lived a reindeer named Bowen at the North Pole with Santa. He was a newborn. The elves made toys for him and reindeer treats. He grew up, and Santa let him guide the sleigh for the first time. They went to a girl's house whose name was Mila. She was on Santa's good list and wished for a dollie. The reindeer helped Santa fill the stockings. Then they went home.

Christmas Granny

Once upon a time there was a granny in the North Pole. It was a mean granny when it got to Santa's village but granny had to find Santa's workshop because Santa was there. 67 hours later. Just kidding. It was only 6 hours later when granny got to the reindeer and there wasn't just reindeer, there were moose and deer and even skunks and fat cows. Granny got sprayed by the skunk and she turned green from the skunk.

Then granny got to Santa's workshop. But that took 8 hours and granny had to find a password for the gate to get into the workshop and granny had to go back to see if the reindeer had it and they did. 41 hours left. But granny didn't want to walk so she took a plane to fly back to Santa's workshop because he was there. Then she got to Santa's workshop and all the elves were there so granny asked Santa if she could have an elf and Santa said yes! Then she had a happy day in the North Pole.

Now she went to go to sleep in bed but Christmas is tomorrow. Now she went to sleep. Zzzzzz. It is Christmas she screams! Even Santa came! He gave me his best elf! He even still got me presents! So granny had the best Christmas ever!

Dear Dasher,

I hope you receive my letter. Remember you asked me about the North Pole having seasons. No I did not know that there were seasons in the North Pole. I thought it was just winter in the North Pole. How cold does it get in December? It's really busy at school today. It's Friday and that means it's Fun Friday!

You also asked me what it was like were I live. Where we live we have seasons too. It is winter right now. Our seasons are winter, summer, fall and spring. You also asked me what my favorite season is and mine is summer and winter because we can build snowmen in winter and summer is my favorite season because we can go to the boat. I hope you write back, Dasher.

P.S. Please tell Santa I have to tell him something.

Coal or Not

I woke up on Christmas Eve. I was happy. One more day until Christmas. The only thing I found in my stocking was coal. Suddenly I woke up from my dream. Could this be my future? I hope not! I come out of my room. I walk towards my stocking but my mom stops me. "Don't look in your stocking," she said. "It's not Christmas yet!" I was sad. Was there coal in the stocking or not? I go back to my room and read but I can't stop thinking about my stocking. I sleep until Christmas. On Christmas day I look in my stocking. There are little boxes inside. Presents I think. I open them and inside there was coal!

My Christmas

Christmas is my favourite time of the year. I love all the colours, lights, people shopping, decorations, Christmas music, traditions, and gift giving and maybe getting gifts too! But to me the most important reason we celebrate Christmas is the birth of Jesus Christ, and this is a story of how I spend my Christmas.

I was kind of waking up as I hear sudden footsteps come down the stairs to the basement. I knew it was just my little sister Autumn (she is in Grade 2 and really tiny) coming to wake me up for school, so I usually pretend to still be asleep, but I forgot. It was . . . "Georgia, wake up it's December first," said Autumn excitedly. She looked like she could run to the moon and back. "Did you hear me Georgia, it's December first," said Autumn as she started to jump on my bed. "Georgia, do you know what that means? The elf is here!!!" When I heard that I got out of bed so fast, put on my clothes for school and ran up the stairs with Autumn.

"Autumn come over here I found Piper. (Piper is our elf). And she has a note, I'll read it," said Autumn.

"Hello girls, I am back!! I brought you cookies for lunches. Enjoy! Sincerely, Piper the elf."

"Wow," we both said suddenly. Mom said "Come on girls do your advent calendars then get ready, you don't want to be late for school." Autumn and I rushed to open our calendars. Dad was also in the living room. I got a Gilmore Girls advent calendar. Autumn got a Gabby Dollhouse calendar.

Later that month it was our school Christmas Spirit week but it wasn't much different how I dressed earlier in the month because I wear Christmas clothes a lot!!! I live Christmas and there was only six more days, 144 hours, 59 minutes and 5 seconds, 4 seconds...

Anyways on the 19th we have our Church Christmas play. This year we're doing Ebenezer Jr. kind of like Scrooge. On Christmas Eve all of our family goes to Auntie Lisa's house. She is an amazing cook. When we're there, we also put on the Santa tracker. Early Christmas morning we open our gifts and then go to our papa and Bib (they're our Grandparents and our neighbors) and open more gifts. Later that night we have a big Christmas supper with all our family. My cousin Ava and I say grace. This is my favorite time of year. Have a Merry Christmas!!!

Christmas Disaster

Mom screams "Luke come here at once!" "That wasn't me. It was probably Liam," Luke explained. "Why would Liam open your Christmas gift?" mom asked. "I don't know mom, maybe to frame me," replied Luke. "Alright let's see what Liam says about this. Liam can you come here please." "Yes mommy" Liam says. "Did you open this gift?" "No mommy." "Okay you can go back upstairs now." Luke said, "I'll go upstairs too."

"Kids start packing we are going to Aunt Libby's tomorrow." Luke and Liam ask, "Is Leon going to be there?" "Yes, he is going to be there," replied mom.

Mom yells "Okay get up we have to go!" "How long is the drive?" Luke asked. "Well, we are going to Winnipeg so about four hours." "Oh, come on!" Luke said loudly. "Hey inside voices!" Mom yelled! Luke whispers: "How about use your inside voice." "Ok! Not another peep from you!" "But mom!" Luke responds. "I said not another peep!"

Mom exclaims, "Okay, we are here!" Luke says "Yay." "Do you see Leon anywhere?" Liam asks. "Hey Luke do you want to race to the big white coach?"

"Oh yeah! I am going to win by a mile!" Luke replied. Liam says "Yeah right, ready, get set go!" Luke says panting, "Dang their house is like a mansion!" Liam says in an annoying tone "Hey Luke, I'm way ahead of you!" "Why are you standing in front of the Christmas tree? The couch is right there!" Luke asked Liam annoyingly. "Come get me, Luke Come get me!" Luke says frustrated, "Oh, I'm going to get you!" Luke runs and jumps to get to Liam as Liam moves out of the way!

Crash! Luke, "Ouch!" Mom, "Okay Luke you're having a nap."

Uncle Lester says "It's supposed to snow a lot tonight so you guys should back your cars into the garage." (They keep going on with the grown-up talk.) "Well I'm going to get some beer, you guys want some?" Uncle Lester asked.

Aunt Libby said "That's it Lester, you spent so much money on alcohol and getting drunk! I'm leaving!"

Leon asks, "Daddy were is mommy?" Uncle Lester replied, "Leon, me and mommy got divorce." "What's that?" Leon asked.

"Me and mommy are not seeing each other anymore." "What, so mommy's not coming back." (Leon starts crying)

Uncle Lester "It's okay Leon, you guys go to sleep and I bet she'll be here in the morning." "Okay daddy."

"Hey Leon, come down, your mom is back," Uncle Lester yelled. (Leon comes running down the stairs).

"Hi mommy" "Hi Leon, I missed you!" "Hey mom, dad, do you want to play Uno with me?" Leon asked.

"I am going back to my car into the garage." (Walking to the front door.) "Damn it, the house got snowed in." "Yay, we get to stay here longer" said Luke.

The naughty elf

I have a very naughty elf. I tried to get him out of my house this year, but it didn't work. He wore my underwear. He even pooped on my plate. He left me a note that said to turn on the fan so he could fly. I think he might drink my pop and make the can into a costume. He will cut a hole in the top and bottom of the can and two holes on the sides for his arms. He makes me laugh so hard. I think he has more tricks to do.

Dear Judges,
I think my sweater is the funniest because there is a Santa with sunglasses. I think Santa with sunglasses makes it funny because you do not see that every day. My sweater is probably going to win the cutest award. How would no one love to see a kitten playing with a ribbon wearing a sweater? Who doesn't love to see a kitten wearing a sweater? Also, I have a ribbon and sometimes ribbons are on presents. Green and red are Christmas colours. I added zig-zags to make it unique and that is why I am confident that my sweater is going to win the contest.

Dear Judges,
I should win the best sweater contest, here's why. Do you like the colours? They are blue, green, and red. The blue reminds me of the ocean. Do you like vests? I love vests! I always wear one in the fall. This is a vest you probably will wear in November. Is it Christmas-y to you? Do you like candy canes? I don't, but I'm sure that you do! Do you see the peppermint-y candy canes which are heaven for most of you? That is why I think my sweater is the best. What do you think?

Dear Judges,
I think my sweater will win the coolest sweater competition because my sweater is pink, purple, red, and black. I think that pink, purple, red and black are the coolest colours known to mankind. Santa is on it saying, "I <3 hockey" so I mean, I think it's cool that he is saying that because I play hockey and I think hockey is the coolest sport I know. There are also a lot of lines around Santa to make his face pop in the image more than he normally does in every picture you can find him in. The lines on the sweater are all different types of lines like zigzags, squiggles, and dotted lines. That is why I think my sweater will win the coolest sweater competition.

Christmas Miracle

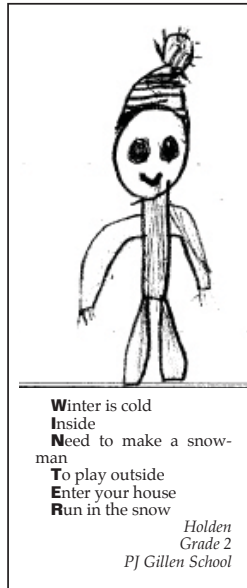

There was a girl named Alyssa, she lived with her sisters Zoe and Lisa. Lisa never believed in Christmas so Alyssa and Zoe tried to convince Lisa to believe in Christmas, but Lisa didn't listen. Later that night when Lisa was sleeping, Alyssa and Zoe started decorating their house. They put Christmas lights and decorations on the tree. After days had passed, Lisa still didn't believe in Christmas. When it was Christmas Eve Alyssa and Zoe were so excited but Lisa wasn't like every year. Until, when Lisa woke up late at night, she saw something moving in their kitchen. It was Santa! Lisa couldn't believe her eyes. She also looked like she had seen a ghost. Then Alyssa and Zoe woke up and saw Santa then they screamed with joy. That was when Lisa started believing in Christmas. The next day they celebrated and opened gifts. The end.

One Christmas

One day on December 24, there were two kids named Kevin and Bob. They where best friends, They did everything together but Bob had to go to Florida to spend Christmas with his grandma. He really didn't want to go and Kevin didn't want him to go either.

So they decided to put a trap so she won't take Bob to Florida. They only set up one trap but it was a big trap. Then at Bob's house, we set up the trap. After she was done with them she would be hanging from the roof. It was time to put it into action and it worked. She was hanging from the roof and it was very funny. She yelled, "Put me down!" Kevin and Bob said only if I don't have to go to grandma's, so she agreed. So they got her down but she tricked them, she fell in the trap again. It was funny that Bob didn't have to go to his grandma's.

Dear Dancer,

Hi Dancer, I'm excited to tell you all about myself. I like to dance and I do dance and I do dance class. I wish you could come teach us, but it's okay if you don't want to because you don't have to do it. You are probably really fun to play with. I wonder what it's like to know Santa Claus. Do you get presents? I know I do. Do you have any friends? I have 12 friends. What is it like living in the North Pole, is it cold? Sorry I forgot my name is Rayna.

P.S. Please tell Santa I have been a good girl this year. Yours truly, Rayna. Put in a good word for me to the big guy!

Christmas Holiday

One day I woke up and I could hear my brother yelling it's Christmas, it's Christmas! So, I said to him it's Christmas and he said yes, it is, and I went to check the calendar and it was Christmas. After I checked I was super excited, I yelled out it's Christmas! I was so excited I went and started jumping on my mom and dad. I was yelling it's Christmas and they got up so fast I couldn't even see them. All if us were super excited.

My mom opened her present first. Me and my brother brought in her present, the box was two meters long. When she opened it, it was a box, she opened it again, it was a nice jacket. It was my dad's turn to open his present. It was skinny but long when he opened it, it was a hockey stick. It was my brother's turn to open. He has four presents. He got hockey cards, a hockey stick, a RC car, and a new sweater. It was my turn to open my presents. I got four presents also. I got hockey cards, a hockey stick, a new sweater, and some new T-shirts. All of us wanted to try our presents out.

Dear Blitzen,

I wanted to write and let you know that I've been a good girl this year. Blitzen, what do you like to do for fun in the winter? What row are you on the sleigh. Do you have fun with your reindeer friends? Do you like Rudolph? What kind of season do you have at the North Pole? No my family don't leave out treats for his reindeer only. We leave out cookies and milk for Santa. My family and I enjoy Easter and Halloween and Christmas. Ya, I can believe it is so long, I can't believe it is this long. Hope you talk soon.

P.S. Please tell Santa I want a camera for Christmas.

A Special Christmas

Once there was a girl named Sally, and Sally was ready for Christmas. The 24th of December at her house was going to be a very special Christmas. Santa was coming and bringing special gifts.

The night of December 24th, Santa came but five of his reindeer ran away and ten of his elves made a mess in the house. Santa finally asked someone for help, but who?

Sally was awake, and when she opened her eyes Santa was standing right in front of her. Sally had a special job, but that job was to find all ten of Santa's elves.

Finally, while Santa cleaned the house and gathered the reindeer Sally found all ten of the elves. Their names were Tommy, Timmy, Tom, Tim, Bobby, Bob, Alex, John, Johnny and Nix. At last Christmas Day, it was the best!

Dear Dancer,

I can't wait to tell you about my dance moves on the dance floor! What type of animal come around our house? In the summer, sometimes deer come or birds and dogs. What have I been learning about lately? In math my brother taught me times and division. Tell you what I do for fun? When I'm at school I play with friends. At home I watch TV and my ipad. Fun teaching you how to dance, see you next time!

Dear Judges,
My Christmas sweater is the most Christmas-y sweater and it is mine! One reason is that it has snowflakes, and do you know what snowflakes mean? Snowflakes mean winter or Christmas. Another reason is that it has white on the chest part. White means snow or a white Christmas and a fun holiday is coming too! That's why my sweater is the best of the best.

The Winner

Dear Judges,
I think my sweater is definitely the winner of the most Christmas-y Christmas sweater. If you think you already have a winner, you haven't seen nothing yet, because mine is the most Christmas-y Christmas sweater ever! My Christmas sweater has holly to get you into a jolly mood. My sweater also has stars and Christmas trees on the sleeves because the star is what the wisemen and shepherds followed to the new King, and everyone knows about Christmas trees. My sweater is loaded with red, for it is an excellent Christmas colour, and I think the red really pops to give you some Christmas spirit! I am pretty certain that by now you have no choice but to agree with me, for my sweater is clearly the winner of the most Christmas-y Christmas sweater competition.

Dear Judges,
I believe my mistletoe wearing sunglasses sweater should win the award for the funniest sweater. On the mistletoe there are dark sunglasses, and the colour of the sunglasses are black and grey. Usually, mistletoes do not wear sunglasses which makes it funny. There are crazy zigzags and polka dots on my sweater and green and red dots on my sweater too. The zigzags and the polka dots are funny and ugly. The mistletoe wearing sunglasses and mismatched zigzags and polka dots make this sweater the winner of the funniest and ugliest sweater contest.

A horrible Christmas

Back in the North Pole the elves are hurrying up so all the Christmas decorations would be done by Christmas. Santa Clause is sitting and watching the elves. Then one of the elves came rushing in. The elf's name is Dobby.

"Santa, Santa!" yelled Dobby. "What" said Santa. "One of the machines broke down," said Dobby. "Where," yelled Santa! "On the other side of the shop." "Okay," said Santa. "Let's go over there right now."

So they went all the way to the other side. There were a bunch of elves looking up at the broken machine. Then Santa yelled to all the elves to get back to work, then all the little elves scattered. The elves were all gone, so Santa could have a look at the machine. It looked like a big present was stuck in the machine so he poked it with a stick but it did nothing. Then one of the elves kicked it, then finally it started to work. That took a lot of time, it took an hour. Most if the presents were done.

Then Santa looked at the clock and shot a look that the elves knew it was the look that meant we were behind schedule, so we went so fast that we did all the toys wrong, but no one saw it because we were going so fast. Then we just threw the toys into the sled and all the toys broke, but Santa did not know that so when the elves were done loading the presents, Santa took off. He dropped some presents in the air and when he tried to climb in through the chimney, he couldn't because he was so fat. So, he had to go through the front door, but it creaked so loud that dad woke up and grabbed his baseball bat. Then dad saw Santa putting the broken presents under the tree but dad thought he was stealing the presents, so he whacked him in the head and knocked him out.

Santa was only knocked out for ten minutes then he got back up and put the rest of the presents under the tree and went up to the roof where his sled was supposed to be, but it was not there! There was probably a malfunction and it went back to the shop. Then Santa had to walk all the way back to the shop where he saw the sled was parked in the garage. Then the sun started to come up and then he could hear all the children crying and he felt very bad, so he retired and another Santa came. The end!

The Christmas Problem

This Christmas Bob is putting up the tree. It is a real tree. Bob really likes to put on the decorations on the tree. Bob is happy to see his family this year. Bob really likes to wake up and opens all the presents. On Boxing Day he goes to his grandma's and his cousin's go there too. They open the presents together and they watch a Christmas show for the rest of the day. Then the next day Bob plays with his new toys.

Dear Comet,
I'm excited to write back. One of my favorite books is The Giver. What is something interesting about our town? Our grain elevator is over 100 years old. What's going on in my world. A lot, Christmas is almost here. Hope to talk soon.

Axel's Christmas

On December 25 at 3 am, I heard a big bang. Then I went and looked up the chimney and I saw Santa and I saw a weird fluffy, green thing behind Santa. I went to my room and searched up fluffy green thing! Now I know what it is. It's the Grinch! Then I heard a big boom.

I ran outside and the chimney was in pieces and the Grinch was holding a grenade. It was too late to run. He got me in a trap! But there was a pair of scissors and a ticking time bomb with wires. I cut all the wires. The trap opened and I survived, and I grabbed the ground, and I threw it at the Grinch, and he blew up. Then I helped Santa out of the chimney, but good thing someone was getting bricks for Christmas so we could rebuild the chimney. Then I gave Santa some cookies and milk.

Dear Dancer,
I am so excited to tell you about my self. What have I been learning. I have been learning about your letter, Math, ELA and our Christmas song. What sort of animals live in our house? It is winter right now so we have deer, dogs, cats and that is it.

For fun I like to watch TV, go outside, go to school!
My family names are: My mom's is Jill, my Dad's name is Lance and my sister's name is Kay.

Ho, ho, the bell rang got to go.

Christmas in South Africa

On Christmas I was at my grandpa's house. Then we got a little van and then went to Bertus and then Tannie Laan was jealous because we ran to Bertus. Then I am going to ask Oom Bert if I can ride his horse. Bertus is going to take my brothers and my dad hunting. Then when it is dark we will open the presents. Then we will eat cake. Then we will sleep. In the morning we will go to my grandma's and then we will give the clothes to the kids who do not have clothes. Then we will buy something with our \$20 and we will go to the beach with our cousins and we will go to the airport. When I get back, Zan's baby brother will be born on the fourth or the fifth of March.

A magical elf

An elf came to my house. He is very small and has magic. He wears all red with a red hat like Santa. On the first day, he sat on the Christmas tree. On the second day, he made a snowman out of toilet paper. Today, the elf made a line of trucks and sat on a motorbike. I laughed so hard. I think he did it last night while I was sleeping. He only moves when I'm not watching.

I love Christmas

I love Christmas because Santa will bring me presents. I get to celebrate Christmas Eve with my whole family. I like the snow at Christmas time because we go sledding. I like drinking hot chocolate with marshmallows. I like snuggling with my mom by the fire where Santa will come down. I have been good because I help feed our chickens and pick the eggs. I think Santa will bring me a toy semi.

Dear Judges,

I want my sweater to win the cutest Christmas sweater contest. I want it to win because there is one Christmas tree on each sleeve and Christmas trees are so pretty with their lights. I also think my sweater should win the contest because there is an elf in the middle and the elves are so cute. There is also a blue and purple background, too. Let me tell you what colour everything is, not just the background. So first the Christmas trees are green and yellow because the tree is part green and the star is yellow. Next, the elf is red and white because the whole body and the hat is red. Then the rest is white.

How to catch Santa

First get tripwire and clear saran tape plus a few more things like laxatives, camera, mattress, ice cream bells and the last thing is a lamp and snacks! Don't forget matches and logs! First thing at the door, get the tripwire, tie it to a desk by the door and on the other side put another desk and tie the tripwire as tight as you can! The saran tape is going to be right at the door so when Santa comes, his face will be covered in saran tape.

Now, on with the laxatives. When you make the cookies, put in a bottle of laxatives and if Santa's unlucky maybe two bottles of laxatives. Then bake the cookies.

Okay, time for the camera and mattress. So, in the closet we put down a mattress and camera, that's where we stay up and eat the ice cream.

Now, on with the bells, put the bells on the door, they will jingle. Next, lamp and snacks! They're both for staying up to see Santa.

Now, on with matches and logs. The logs go in the chimney then light the fire. That's how you catch Santa! Hahahaha.....

The Christmas Problem

One day on December 24, at Santa's workshop something terrible happened. The elves were lost! Santa still had thousands of presents to be made, plus it was rush day at the workshop. Kids were sending in letters left and right so Santa decided he would go and find his elves. He got in his sleigh, buckled up his reindeer and attached the elf extension, then he set off.

He flew over the North Pole for hours. It was getting dark. He still had to deliver all the presents to the world tonight. Just when he thought all hope was lost, he saw a bunch of striped hats from a distance, the elves were safe! While they were waiting for Santa, they made the rest of the toys. Christmas was saved!

You said, tell me about the little things that makes you happy? My answer is I am happy when I am with my best friends Elle. We have been friends since we were two! What about you is special? I think that I am special because I can twist my tongue.

How would you describe yourself? I would describe myself as pretty, kind and loving because I cuddle my cat Lily when she comes to me.
